

# JONI HARMS COWBOY UP

he was the new kid on the block  
buckles in his eyes but the horse he drew  
was plain rank  
and much to his surprise he did a double  
back flip and landed on his head  
this old cowboy leaped out in the ring leaped  
over him and said

you better cowboy up when you get  
thrown down get right back in the saddle  
as soon as you hit the ground  
you heard that the tough get going when  
the going get tough  
around here all we say is son you better  
cowboy up

by the end of last season he said he was  
among the best  
so he proudly called the girl back home  
hoping she would be impressed  
but her mom had said she married the guy  
she used to call his friend  
and before the first ear could fall these  
words came back again

you better cowboy up when you get  
thrown down get right back in the saddle  
as soon as you hit the ground  
you heard that the tough get going when  
the going get tough  
around here all we say is son you better  
cowboy up

its not an easy lesson to learn in life and

love

but its the only way to go when ever you  
bite the dust

you better cowboy up when you get  
thrown down get right back in the saddle  
as soon as you hit the ground  
you heard that the tough get going when  
the going get tough  
around here all we say is son you better  
cowboy up

yeah you better cowboy up
