

# HILLBILLY BLUES TRICK PONY

Well baby there's something wrong  
And I can tell that it needs fixin'  
Well it's written all over your face  
And no one can miss it

You been mopin' around with that hound  
dog frown  
Like your best friend just left ya  
It's all right, it's all right, it's all right  
It's all right, it's all right

That ain't nothin' but a lovesick heart  
broke hillbilly blues  
It ain't nothin' but a lowdown sad-song  
she's-gone attitude  
That remedy, a little bit of me for Y O U  
To get you over them  
Lovesick heart broke hillbilly blues

So put your arms around me baby  
I can make it better  
When I get through with you  
You'll soon forget her

It ain't no big deal, I know how you feel  
I've been right where you're standin'

It's all right, it's all right, it's all right  
It's all right, it's all right

That ain't nothin' but a lovesick heart  
broke hillbilly blues  
It ain't nothin' but a lowdown sad-song  
she's-gone attitude  
That remedy, a little bit of me for Y O U  
To get you over them  
Lovesick heart broke hillbilly blues  
Oh come on

Ain't nothin' but a lovesick heart broke  
hillbilly blues  
It ain't nothin' but a lowdown sad-song  
she's-gone attitude  
That remedy, a little bit of me for Y O U  
I get you over them  
Lovesick heart broke hillbilly blues

Well I get you over them  
Lovesick heart broke hillbilly blues
