

## LUKE BRYAN MOST PEOPLE ARE GOOD

I believe kids oughta stay kids as long as  
they can  
Turn off the screen, go climb a tree, get  
dirt on their hands  
I believe we gotta forgive and make amends  
Cause nobody gets a second chance to make  
new old friends  
I believe in working hard for what you've  
got  
Even if it don't add up to a hell of a lot

I believe most people are good  
And most Mama's oughta qualify for  
sainthood  
I believe most Friday nights look better  
under neon or stadium lights  
I believe you love who you love  
Ain't nothing you should ever be ashamed of  
I believe this world ain't half as bad as it  
looks  
I believe most people are good

I believe them streets of gold are worth the  
work  
But I'd still wanna go even if they were  
paved in dirt  
I believe that youth is spent well on the  
young  
'Cause wisdom in your teens would be a lot  
less fun  
I believe if you just go by the nightly news

Your faith in all mankind would be the first  
thing you lose

I believe most people are good  
And most Mama's oughta qualify for  
sainthood  
I believe most Friday nights look better  
under neon or stadium lights  
I believe you love who you love  
Ain't nothing you should ever be ashamed of  
I believe this world ain't half as bad as it  
looks  
I believe most people are good

I believe that days go slow and years go fast  
And every breath's a gift, the first one to  
the last

I believe most people are good  
And most Mama's oughta qualify for  
sainthood  
I believe most Friday nights look better  
under neon or stadium lights  
I believe you love who you love  
Ain't nothing you should ever be ashamed of  
I believe this world ain't half as bad as it  
looks  
I believe most people are good

I believe most people are good  
I believe most people are good
